Baby, I love you
This is true, it is true (it is true)
Oh baby, I long, you don't feel as I do
As I do (as I do)

A burning mate, she's as hot as fire
She could go all night and never tire
Ella necessitaba una me girl is for hire
Hay eso no que care, what's your desire
When the girl's make love, they shut it down
She's got her crew coming over, thinks she runs the town
Things are gonna get crazy, so stick around
She's a reckless soul, trouble bound

Baby, I love you
This is true, it is true (it is true)
Oh baby, I long, you don't feel as I do
As I do (as I do)

I found her downtown at the station
She bought one ticket, one destination
And I ain't coming with her, sad situation
When I'm back on the road, desolation
How many lines, and how many times
And how many dimes got dropped on my crimes
And then you rewind all the time and see all the signs
that say that girls lying

Baby, I love you
This is true, it is true (it is true)
Oh baby, I long, you don't feel as I do
As I do (as I do)
