Going out with all my boys  
Hit the city all night long  
Last night I will  
Down at the mill  
I little tight I will lay you down  
Now it's deep, going home  
Not a cig, waking up  
Got a last, smoking it up  
Zig Zag, Rolling it up  
You're a memory 'cause  
She is the future  
Hold on tight  
I'll be the teacher

Take this city  
Take this city blast'em

Here we go again  
Here we go tonight  
Gotta keep it going, gotta keep it alright  
Life's so short so we gotta keep it last  
Gotta keep it move till the day morning light  
So many people, I'll never know  
I'll never get where this city is from  
So what's your name?  
Say it again  
I wanna hear it again and again, again, again, again

Take this city  
Take this city blast'em

Na na na na na na naaaaaa  
Na na na na na na naaaaaa  
Na na na na na na naaaaaa  
Na na na na na na naaaaaa

Take this city  
Take this city blast'em
