The wise men heard the signs, found out where that
baby lies
Look carefully and pray; a star will lead the way, a star
will lead the way
What shall I bring for a baby king? Gold, myrrh and
shiny things
What shall I bring for a baby king? Gold, myrrh and
shiny things

The heavens opened wide; the shepherds opened up
their eyes
Look up into the sky; hear the angels cry! Hear the
angels cry
What shall we sing for a baby king? Our loudest songs
we bring
What shall we sing for a baby king? Our loudest songs
we bring

Hallelujah!
Hallelujah to the one who has saved our souls
Hallelujah to the child who is pure and holy

What shall I bring for my Lord and King?
I'll give my everything;
What shall I bring for my Lord and King?
I'll give my everything (I'll give you my all!)

What shall I bring for my Lord and King?
I'll give my everything
