I got this strange strange feelin'
Deep down in my heart
I can't tell what it is
But it won't let go
It happens every time
I give you more than what I have
But now all I need is a little time to sing this song
And I think we're gonna find a way to lose this strange
feelin'

All around I feel ya, darlin', feel ya darlin'
When you're home all alone
Oh, don't you need somebody to talk your troubles to
Ah, lord I know I wanna catch the morning train, lord
the first thing
Oh, I wanna hear you say we're gonna take that strange
feelin'
Oh, take it all away

Well it's just like a mockingbird a-singing on a hillside
Churping at his morning song
But don't you weep don't you fret don't you wail don't
you moan
Can't you hear that whiporwill a-callin?
Now don't you worry
Your daddy's comin' home
He's gonna chase those blues away
And believe me when I say
We're gonna lose that strange feelin' all around all
around...
