[Rasaq]

Lay it down, lay it down  
You foos lay it down  
Lay it down, lay it down  
The top I lay it down  
Lay it down, lay it down  
The drop I lay it down  
Lay it down, lay it down  
Ya brauds I lay 'em down

And I'm back like I got a second win  
I got a metal grin, that you can see your reflection in  
Except for when, I'm in the light might lose ya sight  
If ya standin' next to him  
While niggaz in the pen doin' ten  
Behind bars, I'm ridin' the rhythm and nigga I'm spittin'  
them  
I go off like that freaky little kim  
Cuz I don't just speak when I'm on the beat I show my  
naked skin  
And speakin' of naked skin, black mexicans and even  
lesbians  
Wanna have sex wit him, they be pestorin'  
Cuz my chain, make ya neck look dim  
They stomach lose air, like I bent the rim  
Girl you wanna be down, tell me where and when  
I'll tell room service, to send up some hen  
But then again, send a friend  
Then I send you out, wit a empty purse and no  
benjamins  
Haha, gyea
