Uh, Rasaan on the block

[Hook- Rasaan]

Catch me where them ballas be  
Drinks in the air for all to see  
Ever since a youngin in poverty  
It's hard to be  
A nigga like me  
But y'all gonna see  
All I need is god wit me  
And my squad wit me  
Who come as hard as we

[Verse One- Rasaan]

Not a damn click, nigga we so damn sick  
Don't get me and cham pissed  
The thing in the hand kicks  
Like a horse in a panic  
Got damnit, they told me not say it  
But I had a chip on my shoulder like dandruff  
And they said my niggaz don't come real enough  
But I don't gotta symphyse my life, god built me tough  
And trust me nigga, I got steel that'll bust  
Maybe you can feel that, if you ain't feelin' us  
But if you feel like you real, and you feel like I feel  
Then all we show is love, when you dealin' wit us  
Holla at me nigga, I got millions to touch  
I got a adrenaline rush, to stack paper till the cealin' is  
touched  
I'll poor ya hipnotic, till they spill in the cup  
Cuz hypnotize by the wheel on the truck  
Hit they head, leave 'em strung outta luck  
Without feelin' a buck, they tounge still out from feelin'  
my nuts  
Leave 'em mill in the dust  
My click is gon stay on top, and I can feel it in my gut  
We know we the shit, you just feel it in ya butt
