Verse 1

Cold repels the beauty outside just like stained glass
Ink stains so we'll never forget it will always last
A painted canvas won't reveal the emotions from our
past
I'm Cold Inside

Cold is not afraid to fall it takes your breath away
You have to wait for each pedal to fall, fall your own
way
So much like love we're alive with no words to convey
I'm Cold Inside

Chorus

I'm cold inside, I feel nothing; I am like I was withered
away,
I'm cold inside, don't care who I'll be, after I am, so
damn cold inside
So cold on the inside
I'm so fuckin' cold
So cold on the inside

Verse 2

Cold lets you drift with loneliness in your eyes
Your outcries can't describe the pain in your life
Find yourself before you listen to your own replies
I'm Cold Inside

Chorus

I'm cold inside, I feel nothing; I am like I was withered
away,
I'm cold inside, don't care who I'll be, after I am, so
damn cold inside
So cold on the inside
I'm so fuckin' cold
So cold on the inside

On the inside

I'm so fuckin' cold on the inside

Guitar Solo

I'm so cold on the inside

Verse 3

Cold it's all too much now when failure's so close
Yet, it's far enough away, as your path narrows
Forever isn't that long, time echoes as you grow
I'm Cold Inside

Chorus

I'm cold inside, I feel nothing; I am like I was withered
away,
I'm cold inside, don't care who I'll be, after I am, so
damn cold inside
So cold on the inside
I'm so fuckin' cold
So cold on the inside
