Come on, let's get down and dirty, baby
The playful seduction in your eyes and your crazy body
Well come on, I wanna get close now, I want ta play with
your body, baby
Well let me touch you n make it right
Come on

Pull me closer
Pull me closer, baby
Pull me closer
I want to feel you - right now

Pull me closer
Pull me closer, baby
Pull me closer
I want to feel you - right now

Come on, you've got it turned on
Your sinful moves got me running, running for the
covers
Well come on, lets work it all out, I want ta hear you
scream real loud
So let me love you in an endless night -
Come on

Pull me closer
Pull me closer, baby
Pull me closer
I want to feel you - right now

Pull me closer
Pull me closer, baby
Pull me closer
I want to feel you - right now

Break
Guitar Solo

Pull me closer
Pull me closer, baby
Pull me closer
I want to feel you - right now

Pull me closer
Pull me closer, baby
Pull me closer
I want to feel you - right now
