Underwater mountain, underneath the sea
Rising up from the bottom
It's more than a thousand fathoms deep
There's a mountain
A beautiful mountain under the sea

Everyone gets lonely every now and then
Feel like you've been forgotten
Rising up from the bottom fathoms deep
There's a mountain
A beautiful mountain under the sea

Yeah, it's only your hidden life
Hidden from your eyes
Yeah, it's only your hidden life
Your hidden life, your hidden life

Everyone gets frightened every once in a while
Feel like you are in danger
Of becoming a stranger to yourself
Talk to the mountain
The beautiful mountain under the sea

Yeah, it's only your hidden life
Hidden from your eyes
Yeah, it's only your hidden life
Underwater mountain
Underwater mountain in the sea

Beautiful mountain under the sea
Beautiful mountain under the sea
Beautiful mountain under the sea
Under the sea, under the sea

Yeah, it's only your hidden life
Hidden from your eyes
Yeah, it's only your hidden life

Beautiful mountain under the sea
Beautiful mountain under the sea
Beautiful mountain under the sea
