"Wait And See"

Patience is a virtue
Possess it if you can
You gotta wait and see
Seldom in a woman never
In a man
You gotta wait and see
I wasn't meant to be alone
It's not the only way to be
When will her love invade my home
Well we'll just have to wait and see
Jumping to conclusions will
Leave you high and dry
You gotta wait and see
Her voice was magic
On the phone
It promised everything to me
I want to have you for my own
But we'll just have to
Wait and see
Ordinary people living
Ordinary lives can organize
Their feelings why can't I
Patience is a virtue
Possess it if you can
You gotta wait and see
Seldom in a woman
Never in a man
You gotta wait and see
Back to tears of joy
