oooooooooooo

Another day has almost come and gone
Can't imagine what else could go wrong
Sometimes I'd like to hide away,
somewhere and lock the door
A single battle lost but not the war

Cause tomorrow's another day
And I'm thirsty anyway
So bring on the rain

Its almost like the hard times circle 'round
A couple drops and they all start coming down
Yeah, I might feel defeated,
And I might hang my head
I might be barely breathin -
but I'm not dead (no)

Cause tomorrow's another day
And I'm thirsty anyway
So bring on the rain
oooooooooooo

No, I'm not gonna let it get me down,
I'm not gonna cry
And I'm not gonna lose any sleep tonight

Cause tomorrow's another day
And I am not afraid
So bring on the rain

Tomorrows another day
And I'm thirsty anyway
So bring on the rain

(Bring on, Bring on the rain)

No I'm not gonna let it get me down

I'm not gonna cry

So bring on the rain....(rain...)

(bring on, bring on the rain)

oooooooo

bring on the rain

bring on the rain

bring on the rain
