Boy you sure look good there standing in the doorway
in the sunset light
Maybe I read you wrong thinkin you could be my Mr.
Right
I was puttin my heart and soul on the line
said you needed some time just a little more time
to make up your mind but its been long enough time is
up!

Chorus:

Bye Bye love I'll catch you later
got a lead foot down on my accelerator
and the rearview mirror torn off
cuz I aint never lookin back and thats a fact
I've tried all I can Imagine now begged thee and
pleaded
in true lovers passion, I've got pride
im taking it for a ride
bye bye, bye bye my baby, bye bye

Dont think all those tears are gonna hold me here like
they've done before
you'll find what's left of us in a cloud of dust on
highway four
baby what did you expect me to do just sit around and
wait on you
well Im through watchin you just skate around the truth
I know it sounds trite, I've seen the light

chorus

I've lost the game I guess, I did my best
to win the part and now im leavin here with whats left of
my heart
bye bye ill catch ya later got a lead foot down on my
accelerator and
the rearview mirror torn off cuz I aint never lookin back
you can count on that

I've tried all I can imagine
I've begged and pleaded in true lovers passion

I've got pride, Im takin it for a ride
bye bye, bye bye my baby bye, bye bye
bye bye
oooooh baby
oooooooh
bye bye, bye bye my baby, bye bye
