Well it's been a long time glad to see your face
I knew we'd meet again another time another place
Can't believe it's been so many years
You better grab a chair and a couple of beers

Lookin good in your three peice suit
You know, I always knew you'd take the buisness route
You were always the one to follow the light
And you look like you're doin' alright (yeah)

Been singin' for my rent and singin' for my supper
I'm above the below and below the upper
I'm stuck in the middle where money get's tight
But I guess I'm doin' alright

CHORUS

I'm all, I'm all, I'm alright
It's a beautiful day and not a cloud in sight
So I guess I'm doin' alright
I'm all, I'm all, I'm alright
I got a good ol' friend here with me tonight
And I guess I'm doin' alright

Well we had a lot of dreams when we were younger
They thought we were crazy but we had the hunger
We've picked a lot of friends, skipped a lot of class
Been on top of the world and knocked on our a**

We lost touch we lost in love
We lost our minds when things got tough but
Beatin' time is a losin' fight
And I guess I'm doin' alright

CHORUS

Oh I'm all, I'm all, I'm alright
It's a beautiful day and not a cloud in sight
So I guess I'm doin' alright
I'm all, I'm all, I'm alright
I got a good ol' friend here with me tonight
And I guess I'm doin' alright
Well I guess I'm doin' alright (alright)

Well I hate to see this evening end
God only knows when I'll see you again, just
Send a fax, or send me a letter
Or give me a call that would even be better

Give the kids a kiss for me
And say hello to the family, and
Tell 'em all my future's lookin' bright
Well I miss 'em but I'm doin' alright
I said I miss 'em but I'm doin' alright

CHORUS

Oh I'm all, I'm all, I'm alright
It's a beautiful day and not a cloud in sight
So I guess I'm doin' alright
I'm all, I'm all, I'm mi mi mi ml'm alright
Got a good ol' friend here with me tonight
And I guess I'm doin' alright
Well I guess I'm doin' alright
I'm doin' alriiiiiiiight
Mmmmmm Mmmm

(OW!)
