I was born a believer, biggest dreamer this world has
ever seen
Ready to face most anything but learn that I was naive
Ran into things in life that I never planned
But that's made me who I am
I've had highs and lows and seen my share of ups and
downs
There's been nights it seemed there wasn't a friend to
be found
I've had to save myself from drowning in a sea of
tears.
But I'm still here
(Cause) I, I'm a survivor
I won't let it get the best of me, I'll try my very best to
be that strong
Oh, oh, oh, I, I'm a survivor
And I'll never give up, never let out, never give in
I'll just keep moving on
Oh
I was taught that honesty was simply the only way
I've spoken honestly and had it blow up in my face
Sometimes I look around and I don't know what I see
But I gotta believe in God above and what he's made
me
No
I've witnessed pride and ego destroy the kindest of
hearts
Seen how greed can take the best of friends and tear
them apart
Every corner, every turn, every lesson I have learned
Has helped me find my way
I, I'm a survivor
I won't let it get the best of me, I'll try my very best to
be that strong
Oh, oh, oh, I, I'm a survivor
And I'll never give up, never let out, never give in
I'll never give up, never let out, never givin
Oh no I'll, I'll never give up, never let out, never give in
I'll just keep moving on

I'm a survivor
Oh yes I am
