Well it's been a long time glad to see your face  
I knew we'd meet again another time another place  
Can't believe it's been so many years  
You'd better grab a chair and a couple of beers  
Lookin' good in you three piece suit  
You know, I always knew you'd take the business route  
You were always the one to follow the light and you  
look like you're  
doing alright  
Been singin' for my rent and singin' for my supper  
I'm above the below and below the upper  
I'm stuck in the middle where money gets tight  
But I guess I'm doin' alright  
I'm all, I'm all, I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm  
doin' alright  
o - oh, o - oh, I'm alright  
Got a good old friend here with me tonight and I guess  
I'm doin'  
alright  
Well we had a lot of dreams when we were younger  
They thought we were crazy but we had the hunger  
We kept a lot of friends, skipped a lot of class  
Been on top of the world and knocked on our \_\_\_\_  
We lost touch, we lost in love  
We lost our minds when things got tough, but  
Beatin' time is a losin' fight and I guess I'm doin' alright  
I'm all, I'm all, I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm  
doin' alright  
o - oh, o - oh, I'm alright  
Got a good old friend here with me tonight and I guess  
I'm doin'  
alright  
Well I guess I'm doin' alright  
Well I hate to see this evening end  
God only knows when I'll see you again  
Just send a fax or send me a letter or give me a call  
that would even  
be better  
Give the kids a kiss for me and say hello to the family

And tell them all my future's lookin' bright  
Well, I miss 'em but I'm doin' alright  
I said I miss 'em but I'm doin' alright  
I'm all, I'm all, I'm alright  
It's a beautiful day not a cloud in sight so I guess I'm  
doin' alright  
o - oh, o - oh, I'm alright  
Got a good old friend here with me tonight and I guess  
I'm doin'  
alright  
Well I guess I'm doin' alright  
I'm doin' alright
