Somebody's gonna give you a lesson in leavin'  
Somebody's give you back what you been givin'  
And I hope that I'm around  
To watch them knock you down  
Oh its like you to love 'em and leave 'em  
Just like you loved me and left me  
Its like you to do that sort of thing  
Over and over again  
You're a fool hearted man

I hear you been askin about me  
From some of my friends  
Well you better believe I ain't going  
Through that again  
You're the kind of man  
A woman thinks she can change  
But the only thing changing is my way of thinking  
And I'm thinking that maybe someday

Somebody's gonna give you a lesson in losing  
Somebody's gonna do to you what you been doing  
And I hope that I'm around  
To watch them knock you down  
Somebody's gonna give you a lesson in hurtin'  
Somebody's gonna leave you with your fire burnin'  
And no way to put it out  
But baby there ain't no doubt  
You're a fool hearted man

Somebody's gonna give you a lesson in leavin'  
Somebody's gonna give you back what you been givin'  
And I hope that I'm around  
To watch them knock you down  
Oh its like you to love 'em and leave 'em  
Just like you loved me and left me  
Its like you to do that sort of thing  
Over and over again  
You're a fool hearted man

(Repeat once)
