I gave you everything I had
Oh, but it wasn't enough
It don't seem right to hurt so bad
When all you're giving is love
You wouldn't let me love you
You're just too hard to hold
I gotta break the chains that bind me
So I'm

CHORUS

Gonna take a cab, take a train
Maybe a limousine
Anything to get me out of here
Ain't no way around it
Oh, no doubt about it
One thing is clear
Oh, there's no time for tears
Oh no

A wall too steep
Too high to climb
Is protecting your heart
I tried to break through
Time after time
Oh, but it keeps us apart
I've cried enough to know that
It's killing me to stay
I'd rather be alone

Than hurt this way

Chorus

The time has come
To move ahead
And find what waits for me
Ooh, whoa, whoa
Gonna take a cab, take a train
Maybe a limousine
Anything to get me out of here
Ain't no way around it
Oh, no doubt about it
One thing is clear
Oh, there's no time for
No time for no time for
There's no time for tears
Oh no

No time for tears
Yeah
No time for no time for tears
No time for tears
Oh no no no no
