(Spoken:)

"Uh-huh"

"Goes like this"

"Uh-huh"

"That's just the way it is"

"Uh-huh"

"Hey, hey - why does my voice sound like this?"

"Yeah, you... can you make it sound normal again,
please?"

(Not spoken:)

I'm out

Drivin' in my car

I'm not

Goin' very far

Bummed out

'Cuz I forgot all my CD's

And MP3's

So I turn

On the radio

Hope I

Hear a song I know

But each

Time I do I hear this song

And it's so wrong

Give it a rest

You sound like a pest

You're tryin' to be cool

You're in middle school

If I had a chance

I'd ask Avriille Vigne -

Tell me

Why'd ya have to go and write a song so irritating?

I know that when I

Hear it some 20 times a day it gets me frustrated
When I hear you
And you nag
And you whine
And you wheeze
And you scream
And you're bad
And I don't think I
Ever never really hear a song that I so much hated

Oh, no

Why'd ya have to go and write a song so irritating?
I know that I just
Feel like I'm gonna heave every time they play it
I hate it when you
And you nag
And you whine
And you wheeze
And you scream
And you're bad
And I don't think I
Ever never really heard a song so overrated

Oh, no

(Spoken:)

"Hey... excuse - yeah... My - my voice is doing that
again... Yeah... No - no... no I'm not, I'm... No I'm not, I'm
not telling - I'm not critiquing you, okay, I just... can you
make it... normal?... wait... don't... where are you
going??? Wait... hey, come back!!!....."
