I know how to hold a grudge
I can send a bridge up in smoke
And I can't count the people I've let down, the hearts
I've broke
You ain't gotta dig too deep
If you wanna find some dirt on me
I'm learning who you've been
Ain't who you've got to be
It's gonna be an uphill climb
Aww honey I won't lie

I ain't no angel
I still got a still few more dances with the devil
I'm cleanin up my act, little by little
I'm getting there
I can finally stand the man in the mirror I see
I ain't as good as I'm gonna get
But I'm better than I used to be

I've pinned a lot of demons to the ground
I've got a few old habits left
There's one or two I might need you to help me get
Standin in the rain so long has left me with a little rust
But put some faith in me
And someday you'll see
There's a diamond under all this dust

I ain't no angel
I still got a still few more dances with the devil
I'm cleanin up my act, little by little
I'm getting there
I can finally stand the man in the mirror I see
I ain't as good as I'm gonna get
But I'm better than I used to be

I ain't no angel
I still got a still few more dances with the devil
But I'm cleanin up my act, little by little
I'm getting there
I can finally stand the man in the mirror I see
I ain't as good as I'm gonna get

But I'm better than I used to be
