Well, its been rainin' on and on  
Ever since you've been gone  
Those dark clouds keep rollin' in  
And every time I think  
I might catch myself a glimpse of sunlight  
The bottom falls out again

Well, I can barely keep afloat  
I'm up the creek without a boat  
And I've been a driftin' heaven knows how long  
'Cause it's been rainin' 40 days  
And the 40 nights since you've been gone

Hey, well drip, drip, drip, goes the sound of the rain  
The four winds are blowin' like a hurricane  
My friends said I should settle for any port in a storm  
I'd rather be inside your lovin' arms, safe and warm

Girl, it's been a long time since I've seen sunshine  
Baby won't you come back home  
'Cause it's been rainin' 40 days  
And the 40 night since you've been gone

Aw, listen to me now  
I keep starin' out the window  
Searchin' for a rainbow  
To signal that the storm will end

Hey 'cause I know that the rain'll keep pourin' on the  
pane  
Until my saint comes back marchin' in  
Oh, girl it's been a long time since I've seen sunshine  
Baby, won't you come back home  
'Cause it's been rainin' 40 days  
And 40 the nights since you've been gone

Hey, well drip, drip, drip, goes the sound of the rain  
The four winds are blowin' like a hurricane  
My friends said I should settle for any port in a storm  
I'd rather be inside your lovin' arms, safe and warm

Girl, it's been a long time since I've seen sunshine

But baby won't you come back home  
'Cause it's been rainin' 40 days  
And the 40 nights since you've been gone  
Yeah, it's been rainin' 40 days  
And the 40 nights since you've been gone
