Here we are
What is left of a husband and a wife four good kids
Who have a way of gettin on with their lives
I'm not old but I'm getting a whole lot older every day
It's too late to keep from goin' crazy
I got to get away

The reasons that I can't stay don't have a thing to do
with being in love
And I understand that lovin a man shouldn't have to be
this rough
You ain't the only one Who feels like this world left you
far behind
I don't know why you gotta be Angry All The Time

Our boys are strong the spittin image of you when you
were young
I hope someday they can see past what you have
become
I remember every time I said I'd never leave
What I can't live with is memories of the way you used
to be

The reasons that I can't stay don't have a thing to do
with being in love

And I understand that lovin a man shouldn't have to be
this rough
You ain't the only one Who feels like this world left you
far behind
I don't know why you gotta be Angry All The Time

Twenty years have came and went since I walked out of
your door
I never quite made it back to the one I was before
And God it hurts me to think of you
For the light in your eyes was gone sometimes
I don't know why this old world can't leave well enough
alone

The reasons that I can't stay don't have a thing to do
with being in love

And I understand that lovin a man shouldn't have to be
this rough
You ain't the only one Who feels like this world left you
far behind
I don't know why you gotta be Angry All The Time
