No one wants to think about getting older,
They try to push you out before itâ€™s over;
The same world that lifts you up can put you in your
place.

What they call progress will never wait for me
And I should probably just go out quietly,
But Iâ€™ve still got something left, something left to
say

I will not fall down, I will not fall down,
I will not fall down without getting upâ€¦
Thatâ€™s when I need your love

Second guessing is just a waste of time,
I still remember how it feels to fly
And Iâ€™m still flyinâ€™ , I'm still flyinâ€™
I'm still flyinâ€™ and

I will not fall down, I will not fall down,
I will not fall down without getting upâ€¦
Thatâ€™s when I need your love

You canâ€™t live this way
We will find our way

I will not fall down, I will not fall down,
I will not fall down without getting upâ€¦
I will not fall down, I will not fall down,
I will not fall down without getting upâ€¦
I will not fall down, I will not fall down,
I will not fall down without getting upâ€¦
Thatâ€™s when I need your love
