If you're reading this  
My momma is sitting there  
Looks like I only got a one way ticket over here  
I sure wish I could give you one more kiss  
War was just a game we played when we were kids  
Well I'm laying down my gun  
I'm hanging up my boots  
I'm up here with God  
And we're both watching over you

So lay me down  
In that open field out on the edge of town  
And know my soul  
Is where my momma always prayed where it would go.  
If you're reading this I'm already home.

If you're reading this  
Half way around the world  
I won't be there to see the birth of our little girl  
I hope she looks like you  
I hope she fights like me  
Stand up for the innocent and the weak  
I'm laying down my gun  
Hanging up my boots  
Tell dad I don't regret that id follow in his shoes

So lay me down  
In that open field out on the edge of town  
And know my soul is where my momma always prayed  
where it would go  
If you're reading this, I'm already home

If you're reading this, there is going to come a day  
You move on and find someone else and that's okay  
Just remember this  
I'm in a better place  
Soldiers live in peace and angels sing amazing grace

So lay me down  
In that open field out on the edge of town  
And know my soul is where my momma prayed where  
that it would go

If you're reading this  
If you're reading this  
I'm already home
