I put my money on love again
At a hundred to one
I don't mind losin' I'll just try 'til I win
Or see how close I can come

Oh, it should be illegal
It gets me so high
I can fly like an eagle
Night after night

I've known people who have thrown in the towel
Just 'cause they've lost once or twice
But it takes a believer to put all this faith
In the toss of the dice

Oh, it should be illegal
It gets me so high
I can fly like an eagle
Night after night

Oh, it should be illegal
It gets me so high
I can fly like an eagle, yeah
Night after night

(Night after night after night)
Night after night after night
(Night after night after night)
Night after night after night

(Night after night after night)
Night after night after night
(Night after night after night)
Night after night after night
