Dancin' in the dark
Middle of the night
Takin' your heart
And holdin' it tight
Emotional touch
Touchin' my skin
And askin' you to do
What you've been doing all over again.

Oh it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go.

It's your love
It just does something to me
It sends a shock right through me
I can't get enough
And if you wonder about the spell I'm under
Oh it's your love.

Better than I was
More than I am
And all of this happened
By takin' your hand
And who I am now
Is who I wanted to be
And now that we're together
I'm stronger than ever I'm happy and free.

Oh it's a beautiful thing
Don't think I can keep it all in
And if you asked me why I changed
All I gotta do is say your sweet name.

It's your love
It just does something to me
It sends a shock right through me
I can't get enough
And if you wonder about the spell I'm under
Oh it's your love.

Oh, Baby
Oh!

Oh it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go.

It's your love
It just does something to me
It sends a shock right through me
I can't get enough
And if you wonder about the spell I'm under
Oh it's your love.
It's Your Love,
It's Your Love.
