Yea, yea

Dancin' in the dawn, middle of the night

Takin' your heart and holdin' it tight

Emotional touch, touchin' my skin

And asking you to do what you've been doin' all over
again

Oh its a beautiful thing, don't think I can keep it all in

I just gotta let you know what it is that won't let me go

It's your love it just does something to me it sends a
shock right

through me

I can't get enough and if you wonder about the spell I'm
under, oh it's

your love

Better than I was, more than I am

And all of this happen by taking your hand

And who I am now is who I wanted to be

And now that we're together, I'm stronger than ever I'm
happy and free

Oh it's a beautiful thing, don't think I can keep it all in

If you asked me why I've changed, all I gotta do is say
your sweet name

It's your love it just does something to me it sends a
shock right

through me

I can't get enough and if you wonder about the spell I'm
under, it your

love

If you wonder about the spell I'm under,

Oh, It's your love

Baby, Oh oh, oh,

Oh its a beautiful thing, don't think I can keep it all in

I just gotta let you know what it is that won't let me go

It's your love it just does something to me it sends a
shock right

through me

I can't get enough and if you wonder about the spell I'm
under, Oh it;s

your love

It's your love, it's your love, it's your love
