I know you're mad
and I'm to blame for that
Yes I'm sorry again
for the things I did,
the words I said,
if I could, I'd take it back

Why waste the wine in this glass?
The love in this room?
The making up, girl we're so good at that

Come on over
Sit back down by me
Let me have it
Take it out on me
Don't hold back, take your time
Until you forgive me
Turn down the lights
Lock the door
Leave "I'm leaving" on the floor
I know you're angry inside
Let me love it out of you tonight

I see that smile
you're trying so hard to hide
Who ya trying to fool?
I know your game,
I know you girl
Damn you're sexy when you're playing it cool

Why waste the wine in this glass?
The love in this room?
The making up, girl we're so good at that

Come on over
Sit back down by me
Let me have it
Take it out on me
Don't hold back, take your time
Until you forgive me
Turn down the lights
Lock the door

Leave "I'm leaving" on the floor
I know you're angry inside
Let me love it out of you tonight

Why waste the wine in this glass?
The love in this room?
The making up, girl we're so good at that

Come on over
Sit back down by me
Let me have it
Take it out on me
Don't hold back, take your time
Until you forgive me
Turn down the lights
Lock the door
Leave "I'm Leaving" on the floor
I know you're angry inside
Let me love it out of you tonight

Let me have it
Let me have it
Take your time

Let me lay you down and hold you close
and tell you how much I need you

Let me have it
Let me have it
