I was standing at the end of my rainbow
With nowhere to go and no pot of gold in sight
All my wishes were just way too much to hope for
But when I saw you I knew I'd seen the light

And not a moment too soon
Without a minute to spare
You touched my heart
When I didn't have a prayer
In my darkest hour
With my world filled with gloom
Your sweet love saved me
Not a moment too soon

I used to think that love would never find me

And the one who cares was lost somewhere in time
But when you found me I knew I'd found forever
You rescued me just before I crossed the line

And not a moment too soon
Without a minute to spare
You touched my heart
When I didn't have a prayer
In my darkest hour
With my world filled with gloom
Your sweet love saved me
Not a moment too soon

Your sweet love saved me
Not a moment too soon

Not a moment too soon, yeah
