(Tim)

The kiss that never happened  
The call that never came  
The hurt you masked by laughin'  
The one that got a way  
It's all in a day of emotional traffic  
Stranded, broken and tragic

Chorus (Together)

Finding out you're only human is hard  
I wanna change the world  
But I don't know where to start  
And I am fool enough to believe  
There's hope among the ruin  
Finding out you're only human

(Ne-yo)

Ohh

I tried to touch the sky  
Fell right to the ground (and I fell right to the ground)  
Did my best to fly  
But I just kept falling down  
Some hopes and dreams were shattered  
Expectations broken and battered

Chorus

(Tim) Oh human enough to forgive

(Ne-yo) Oh human enough to embrace all there is,  
whoa

(Tim) And I am fool enough to believe (Ne-yo echoes-to  
believe)

(Together) There's hope among the ruin

Chorus

(Ne-yo) Only human

(Tim) Oh, you're only human

(Ne-yo) We're only human

(Tim) Oh, we're only human

(Ne-yo) Yes, we're only human

(Tim) We're only human

(Ne-yo) Only human  
(Ne-yo) We're only, we're only  
(Tim) We're only human  
(Ne-yo) We're only, we're only  
(Tim) Oh, we're only human
