'Cause it's all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah

'Cause it's all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it, yeah, I can't shake it, no

I can't wait to see you  
'Want to see if you still got that look in your eyes  
That one you had for me before we said our goodbyes

And it's a shame that we got to spend our time  
Being mad about the same things  
Over and over again  
About the same things  
Over and over again

Ohh, but I think she's leaving  
Ooh man, she's leaving  
I don't know what else to do  
(I can't go on not loving you)

'Cause it's all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah

'Cause it's all in my head  
I think about it over and over again  
I replay it over and over again, yeah  
And I can't take it, yeah, I can't shake it, no

I remember the day you left  
I remember the last breath you took right in front of me  
When you said that you would leave  
(Over and over again)

Ohh, but I see clearly now  
And this choice I made keeps playing in my head

Over and over again  
Playing my head  
Over and over again

Ohh, I think she's leaving  
Ooh man, she's leaving  
I don't know what else to do  
(I can't go on not loving you)

'Cause it's all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah

'Cause it's all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it, I can't shake it, no

Now that I've realized that I'm going down  
From all this pain you've put me through  
Every time I close my eyes, I lock it down, oh  
I can't go on not loving you

'Cause it's all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah

'Cause it's all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it, I can't shake it

'Cause it's all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah

'Cause it's all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it, I can't shake it, no

Over and over again  
Over and over again  
'Cause it's all in my head
