Johnny's daddy was taking him fishing when he was 8  
years old

A little girl came through the front gate, holding a  
fishing pole

His dad looked down and smiled, he said, "We can't  
leave her behind

Son, I know you don't want her to go, but someday  
you'll change your mind"

And Johnny said

Take Jimmy Johnson, take Tommy Thomson

Take my best friend Bo, take anybody that you want

As long as she don't go, take any boy in the world

Daddy please don't take the girl

Same old boy, same sweet girl, 10 years down the road  
He held her tight and kissed her lips in front of the  
picture show

Stranger came and pulled a gun, grabbed her by the  
arm

Said, "If you do what I tell you to, there won't be any  
harm"

And Johnny said

Take my money, take my wallet, take my credit cards

Here's the watch that my grandpa gave me

Here's the key to my car, Mister, give it a whirl

But please don't take the girl

Same old boy, same sweet girl, 5 years down the road  
There's going to be a little one and she says, "It's time  
to go"

The doctor says, "The baby's fine but you'll have to  
leave"

'Cause his mommas fading fast and Johnny hit his  
knees

And there he rayed

Take the very breath you gave me, take the heart from  
my chest

I'll gladly take her place if you'll let me

Make this my last request, take me out of this world

God please don't take the girl

Johnny's daddy was taking him fishing when he was 8  
years old
