He was rough

He was tough

And he drank his whiskey straight

He would fight

Every night

If he didn't get his way

She was kind

She could find

All the good in everyone

And then one day

She passed his way

He felt reborn in that mornin' sun

He saw her face

She called his name

And from that moment

He knew he'd never be the same

CHORUS:

What you can find in the eyes of a woman

Is a reason to believe

Look deep inside the eyes of a woman

See the man you wanna be

I'd been down  
Kicked around  
The world had got the best of me  
Out of rope  
Little hope  
I'd never get back on my feet  
She took my hand  
Said Yes you can  
One look at her  
And I'm a brand new man  
(repeat chorus)  
Oh when I feel the need for  
Inspiration  
Just one look  
I find my salvation  
(repeat chorus)  
See the man you wanna be  
See the man, see the man, you wanna be
