Sometimes I close my eyes  
And imagine you with me  
Chasing passion into the night  
All tangled in a dream

Ooh, if you could see my heart  
The way I feel inside  
You would know just how far  
I'm willing to go to get to you  
And there is nothing I won't do

Chorus:  
Let me show you what it's like to lose control  
Free the desire in your soul  
Oh, let me love you  
Let me take you to a place like nowhere else  
Show you the things you never felt  
Ooh, let me love you

Ooh, I want to taste your kiss  
Be the reason for your smile  
Touch the magic on your skin  
Be the one that drives you wild

Oh, if you could read my mind  
You know you're everything to me  
You'd see yourself through my eyes  
And you'd understand what I'm goin' through  
And just how much I want you

Repeat Chorus

Oh, let me love you  
Oh, let me love you, ahh

Repeat chorus
