(jim vest/joyce shoaf/arti portilla)  
(track 9 - time 3:08)

You've got a glow that's not a suntan  
And a new gleam in your eyes  
Oh it must have been one great vacation  
Girl you look so satisfied

Tell me what room was the holiday in  
Was I out of your mind when you turned to him  
What a good time it must have been  
Tell me what room was the holiday in

You said you needed a small vacation  
Just a couple of days all by yourself  
So off you went in a new direction  
And what you found was someone else

So tell me what room was the holiday in  
Was I out of your mind when you turned to him  
What a good time it must have been  
Tell me what room was the holiday in

What room was the holiday in  
Was I out of your mind when you turned to him  
What a good time it must have been  
Tell me what room was the holiday in

Tell me what room was the holiday  
Was I out of your mind when you turned to him  
What a good time it must have been  
Tell me what room was the holiday in
