Dancin' when the stars go blue  
Dancin' when the evening fell  
Dancin' in your wooden shoes  
In a wedding gown

Dancin' out on 7th street  
Dancin' through the underground  
Dancin' with the marionette  
Are you happy now?

Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you  
When the stars go blue  
Stars go blue  
Stars go blue  
Stars go blue

Laughin' with your pretty mouth  
Laughin' with your broken eyes  
Laughin' with your lover's tongue  
In a lullaby

Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you  
When the stars go blue  
Stars go blue  
Stars go blue  
Stars go blue
