Dancin' in the dawn, middle of the night
Takin' your heart, and holding it tight
Emotional touch, touching my skin
And asking you to do, what you've been doing all over
again

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does something to me
It sends a shock right through me, I can't get enough
And if you wonder, about the spell I'm under
Oh, it's your love

Better than I was, more than I am
And all of this happened, by taking your hand
And who I am now, is who I wanted to be and now that
we're together
I'm stronger than ever, I'm happy and free

Oh, it's a beautiful thing
Don't think I can keep it all in
And if you ask me why I've changed
All I gotta do is say your sweet name

It's your love, it just does something to me
It sends a shock right through me, I can't get enough
And if you wonder, about the spell I'm under
Oh, it's your love

Oh, it's a beautiful thing
Don't think I can keep it all in
I just gotta let you know
What it is that won't let me go

It's your love, it just does something to me
It send a shock right through me, I can't get enough
And if you wonder, about the spell I'm under
Oh it's your love, it's your love, it's your love
