Baby I've been drifting away and dreaming all day
Of holding you, touching you
The only thing I want to do is be with you
As close to you, as I can be

And let's make love, all night long
Until all our strength is gone
I hold on tight, just let go
I want to feel you in my soul
Until the sun comes up
Let's make love, oh, baby

Do you know what you do to me
Everything inside of me
Is wanting you and needing you
I'm so in love with you
Look in my eyes, let's get lost tonight
In each other

Let's make love, all night long
Until all our strength is gone
And hold on tight, just let go
I want to feel you in my soul
Until the sun comes up
Let's make love

Let's make love all night long
Until all our strength is gone
And hold on tight, just let go
I want to feel you in my soul
Until the sun comes up
Oh, until the sun comes up
Let's make love

Oh baby, let's make love
All night long
Let's make love
