There's a girl
Who's as sweet as the summer sky
She comes out like a rose
But she'll leave you hypnotized

You might say that
She's hip to the ways of the gypsy mind
But if you think you're the love of her life
Baby, you're blind

That's why they call her
Charmer
Charmer comes on so steep
Charmer
Charmer with her eyes so deep

If she gets a foot
Inside your door
Baby, then it's all over
Jot down another score
One more, for charmer

Just like a child
Like a jewel sparklin' in your hand
Just one kiss from her lips
Makes you feel like a man

Just one sigh from the depths of her eyes
Makes you melt away
Then you feel awfully weak on your feet
And you start to sway

That's why they call her
Charmer
Charmer comes on so steep
Charmer
Charmer with her eyes so deep

If she gets a foot
Inside your door
Baby, then it's all over
Jot down another score

One more, for

Charmer

Charmer comes on so steep

Charmer

Charmer with her eyes so deep
