Ooh, yes, yes
Nothing never felt to me
Like you do right now
Ooh, yes, yes,
That's the only word
I want to hear from your mouth

Oh, let's not waste our time
Hiding what we feel inside
If you come, you start just whisper yes,
Darling, yes, darling, yes

Yes, yes, don't you feel breathless
When I'm holding you near
Oh, yes, yes
We could light a fire
And keep it burning for years

Yes, that misty look inside your eyes
That I won't doom another lies
Feel your skin on mine,
It's crying yes darling, yes darling, yes

Oh, many questions gonna drive me insane,
Time goes by and I'm losing ground
Do you want to see a love one in chains,
I'm sinking baby, I'm gonna drown, I'm going down

Oh, yes, yes
Can't you feel the passion
When I look in your eyes?
Ah, yes, yes
This is how I want it
For the rest of my life

Oh, giving fire to your flame,
Every time you speak my name
'Cause your eyes are saying to me
Yes darling, yes darling, yes.
