Ft. Lindsey Ray

Wake up  
Open your sleepy eyes  
Stretch out  
Make up the bed now  
Sunlight  
Kissing your face again  
Breakfast  
Coffee is waiting

Soap up  
Rinse all your cares away  
Toothbrush  
Keeping your mouth clean  
Dress up  
Walk out the front door  
Turn on the radio talk show

Oh oh oh oh  
This is a brand new day  
Oh oh oh oh  
And it's getting better every single way  
Oh oh oh oh  
This is brand new day  
Oh oh oh oh  
And I'm feeling better when you say  
La la la la la la la love  
La la la la la la la love  
La la la la la la la love

Midnight  
Turn off the TV  
Cold feet  
It's getting chilly  
Warm up  
Put on a blanket  
Tall glass of milk and cookies

Lay back  
Turn all the lights out  
Moon beams

Shine on the windows  
Slip down  
Into a good dream  
Sun sleeps  
Morning is waiting

Oh oh oh oh  
This is a brand new day  
Oh oh oh oh  
And it's getting better every single way  
Oh oh oh oh  
This is brand new day  
Oh oh oh oh  
And I'm feeling better when you say  
La la la la la la la love  
La la la la la la la love  
La la la la la la la love

Simple things  
Is what life's made of  
Happiness  
Is not that hard to find  
I'm in love  
And I'm so unmoving in this sand of life

Oh oh oh oh  
This is a brand new day  
Oh oh oh oh  
And it's getting better every single way  
Oh oh oh oh  
This is brand new day  
Oh oh oh oh  
And I'm feeling better when you say  
La la la la la la la love  
La la la la la la la love  
La la la la la la la love  
La la la la la la la love
