#### WORLD WAR

##### Verse 1

Mr. Spotlight spoke on a Monday morning  
Shooting off his mouth  
A lone gun man fired and shot him Killed him  
Spilling Canvas red  
And all the children started yelling shouting protest  
bombs of hate  
And army soldiers started marching burning  
Books of Blue sky thoughts

##### Chorus

Its a World War  
We are fighting for  
Its a World War  
We are fighting for  
We are testifying the American Dream  
We are compromising all of our Integrity

##### Verse 2

Mr. Spotlight spoke on a Monday Morning  
Shooting off his mouth  
And all the soldiers started marching burning  
Books of blue sky thoughts

##### Bridge

Take a stand and make a change  
Todays the day for unity  
Dont make peace an after thought  
Make a change today
