What's new?

Buenos Aires? I'm New

I wanna say I'm a little

stuck on you you'll be on me too

I get out here, Buenos Aires

Stand back

You ought a know whatcha get in me

Just a little touch of star quality

Fill me up with your heat with your

nose with your dirt over do me

Let me dance to your beat make

it loud let it hurt run it though me

Don't hold back you are certain to

impress tell the driver this is where I'm staying

Hello Buenos Aires

Get this just look at me

dressed up somewhere to go

We'll put on a show

Take me in at your flood give me speed

give me lights set me humming

Shoot me up with your blood wine me

up with your nights watch me coming

All I want is a whole lot of excess

Tell the singer this is where I'm playing

Stand back Buenos Aires

Because you oughta know

whatcha gonna get in me Just

A little touch of star quality

And \_\_\_\_\_ If ever I go too far

it's because of the things you are

beautiful town I love you

And \_\_\_\_\_ If I need a moment rest

give my your lover the every best

Real eider down and slience

Your a tramp your a treat

you will shine to the death  
you are shoddy  
But you're flesh, you are meat you  
shall have every breath in my  
body  
Put me down for a life time  
of success  
Give me credit I'll find ways of playing

Rio dela plata Florida Corrientes  
Neuve de Julio All I want to know

Stand back Buenos Aires because  
you ought a know whatcha gonna get  
in me just a little touch of  
just a little touch of  
just a little touch of  
star quality
