Did I miss your call again?  
No, you never called  
It was a thought inside my head

Did I take the fall again?  
I shoulda payed attention  
To all the words you said

'Cause I lost today  
I'm not okay  
Heartbreak, a fake smile  
And 2000 miles

I check my caller id  
Now there's every number  
But the one  
I want to see

I've been falling apart  
Since you been gone  
I don't know  
Where I need to start

'Cause I lost today  
I'm not okay  
Heartbreak, a fake smile  
And 2000 miles

Away she is  
I can't live like this  
Heartbreak, a fake smile  
And 2000 miles  
Heartbreak, a fake smile  
And 2000 miles

If I told you that I love you  
Would it matter at all?  
If I told you that I need you  
Would you catch me if I fall? Fall

'Cause I lost today  
I'm not okay

Heartbreak, a fake smile  
And 2000 miles

Away she is  
I can't live like this  
Heartbreak, a fake smile  
And 2000 miles  
Heartbreak, a fake smile  
And 2000 miles
