This is my story and here's how it goes  
don't tell nobody 'cause nobody knows  
the government says what i did was wrong  
then how come it felt so right?

time and time it happened again  
the years went by and she lost all her friends  
nowhere to turn and nowhere to run  
she thought that her life was done

i looked in her eyes  
and all i could see  
was fuckin pain and misery  
shes so unhappy

(chorus)  
25 25 to life (to life, to life)  
yea 25 to life  
25 25 to life (to life, to life)  
i could'a copped but instead  
i got me a new wife

25 to life was wat i could get  
but that look in her eyes i could never forget  
i knocked down the door  
and pulled out my gun  
i said grab your things and get your son

the pain in your life will soon be over  
the pain in your life will soon be done  
i'd seen a smile come to her face  
when she heard the sound of a gun  
i looked in her eyes and all i could see  
was fuckin pain and misery  
shes so unhappy

(chorus)  
25 25 to life (to life, to life)  
yea 25 to life  
25 25 to life (to life, to life)  
i could'a copped but instead  
i got me a new wife

so we packed up our things  
and headed out west  
for this crime i committed  
ill never confess  
for once in her life  
shes happy  
she even said yes  
when i said marry me

that was my story and thats how it goes  
i committed murder and nobody knows

(chorus)  
25 25 to life (to life, to life)  
yea 25 to life  
25 25 to life (to life, to life)  
i could'a copped but instead  
i got me a new wife
