It's friday night
what's going on tonight
i'll see her later on tonight
but now it's time to roll
the somber state is getting old
well i never do what i am told
so now we're gonna roll (and now we're gonna roll)

With the top down, seat back, rollin' in my cadillac
With the top down, seat back, rollin' in my cadillac

we order another round
my girl is nowhere to be found
well i hope she gets here soon
before i'm falling down
cuz now im all torn up
i feel like i might throw up
and then i get word
my girl's showin' up
so now i'm gonna roll (and we're gonna roll)

With the top down, seat back, rollin' in my cadillac
With the top down, seat back, rollin' in my cadillac

rollin'...

With the top down, seat back, rollin' in my cadillac
self control knowing right from wrong is what i lack
top down, seat back, rollin' in my cadillac

Top down, seat back
with the top down, seat back
with top down, seat back
top down, seat back
top down, seat back, rolling in my cadillac
rolling in my cadillac
top down seat back
with the top down, seat back
with the top down, seat back
with the top down, seat back
top down, seat back

rollin'...

With the top down, seat back, rollin' in my cadillac
self control knowing right from wrong is what i lack
top down, seat back, rollin' in my cadillac

Top down seat back, rollin' in my cadillac
Top down seat back, rollin' in my cadillac
