it's about 11:30 and it's getting kinda late
well i don't think tonight i'll participate
then ricky shows up he looks like a toad
he says let's go i say where and it's dody road

no matter what you say and no matter what you do
you can't convince me can't pull me through
can't you tell I think it is a joke
I'll never go to dody road

only the raddest dudes like to hang there
with their one tattoo and their slicked back hair
they say their car is the raddest WOO-HOO
would you like to race me too

but no matter what you say and no matter what you do

you can't convince me can't pull me through
can't you tell I think it is a joke
I'll never go to dody road

it's dody
it's dody
that's the place
that i'll never go

it's dody
it's dody
that's the place that's the place that's the place
that i'll never go
but no matter what you say and no matter what you do
you can't convince me can't pull me through
can't you tell I think it is a joke
I'll never go to dody road
I'll never go to dody road
