I hope tonight will never end...

The morning after our first trip to Greenbay
We headed off to the station of Greyhound
Not thinkin much what was ahead, ahead of us
The stinky people and the smell, the smell on this bus

Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!

A 32oz. of High Life and six sleeping pills
Were not enough to make me crash, so im still awake
Jeremiah's gonna get some ass from the girl next to
him
All of this to play one show with Goldfinger
What the fuck is wrong with us?

Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus!

There's this girl next to Nick
And she has more hair underneath her armpits
Than the four of us combined
The driver warned his feathered friends
With colored hair and tattoos
He'd kick us off if we acted up
Well I wish he would've

'Cause we been sleepin' on the floor
For the past two nights, we're all out of beer
And all of this bullshit for a \$99 fair so

Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
Fuck the Greyhound bus, fuck you!
F it all!!
