[VERSE:]

When was the last time I saw you
Who would have known I'd still be blue
I'm getting up and movin' on
Cuz I've been drinking here for way to long

[CHORUS:]

You'll be my girl for tonight
Just tell me things will be alright
You'll be girl for tonight
Just tell me things will be alright
You'll be my girl for tonight

[VERSE:]

Haven't felt real love in so long
My true love left me and she did me wrong
When I'm alone I feel the pain
So I'll get drunk and find a girl to keep from going
insane

[CHORUS:]

You'll be my girl for tonight

Just tell me things will be alright
You'll be girl for tonight
Just tell me things will be alright
You'll be my girl for tonight

[BRIDGE:]

I hope tonight will never end
With this angel that heaven sent
I hope tonight will never end
With this angel that heaven sent
That heaven sent

[CHORUS:]

You'll be my girl for tonight (be my girl tonight)
Just tell me things will be alright
You'll be girl for tonight
Just tell me things will be alright
You'll be my girl for tonight
You'll be my girl for tonight
