Sitting underneath the moonlight
missing my baby tonight
this feeling's just not right
the last time we touched it's been so long
her loving keeps me strong
and i know that nothing's wrong

but i feel so alone today
cause i miss my baby
her love i've been missing for so long
her lovin' keeps me moving on
you'll never understand
the way she makes me feel
when she holds my hand
i hope that god had this planned
and she was his angel
lost her wings for this world
to come down here and save me
she's my baby

but i feel so alone today
cause i miss my baby
i know that she's the one for me
i know that she thinks the same about me

and i feel so alone today
cause i miss my baby
her love i've been missing for so long
her lovin keeps me moving on
and on
and on
her lovin keeps me movin on

i just keep holding on
but i'm not that strong
without you
x2

cause i feel so alone today
cause i miss my baby
i know that she's the one for me
i know that she thinks the same about me

and i feel so alone today
cause i miss my baby
her love ive been missin for so long
her lovin keeps me movin on
