Sitting underneath the moonlight  
Missing my baby tonight, this feeling's just not right  
The last time we touched it's been so long  
Her lovin' keeps me strong and I know that nothing's  
wrong

But I feel so alone today  
Cause I miss my baby  
A love I've been missing for so long  
Her lovin' keeps me movin' on  
Never understand the way she makes me feel  
When she holds my hand  
I hope that God had this planned  
And she was his angel, lost her wings for this world  
To come down here and save me, she's my baby

But I feel so alone today  
Cause I miss my baby  
I know that she's the one for me  
I know that she thinks the same about me  
And I feel so alone today  
Cause I miss my baby  
A love I've been missing for so long  
Her lovin' keeps me movin' on...and on...and on  
Her lovin' keeps me movin' on  
I just keep holding on  
but I'm not that strong  
Without you  
I just keep holding on  
but I'm not that strong  
Without you

And I feel so alone today  
Cause I miss my baby  
I know that she's the one for me  
I know that she thinks the same about me

Cause I feel so alone today  
Cause I miss my baby  
A love I've been missing for so long  
Her lovin' keeps me movin' on
